Sounds of the Season 2011 - Audition Information Sheet

- 1) Auditions will be limited to no more than 5 minutes, including set up and tear down. Please advise in advance if you will be using props or need additional set up time.
- 2) Please do not be offended if you are cut off during your audition. Because of time constraints, the judges may need to stop your performance before you are finished. Early termination of your audition is no indication of the judge's opinion of your performance.
- 3) Please perform exactly what you would be performing in the actual talent show, **in full costume**. If you intend to change your performance for the show in any way, please indicate this on your registration sheet.
- 4) Please be advised that the goal of the judges is to create a diversified program. Therefore, it is possible that highly qualified acts may not be selected because of an excess of quality performances in a specific category.
- 5) Judging criteria for the auditions will be based on quality, originality, appeal, and overall impression.
- 6) Results of the auditions will be posted at www.admiraltheatre.org on Tuesday, December 6^h by 6:00 pm. Artists selected to perform in the talent show will be notified by telephone.
